Historic Event

Between 14-16 May, 2019, the first National Discipleship Conference took place in the Harghita Christian Camp. There were 94 representatives from 42 churches from Romania, Ukraine and USA. During six sessions, Greg Ogden and Ralph Rittenhouse combined technical and practical elements of the process of making disciples. The moderation of the entire Conference was provided by Gigi Dobrin, National Director of GDI Romania.

On October 20, 2018, Gigi Dobrin and Ralph Rittenhouse launched the challenge for the GDI National Team to think of five other church pastors who were not involved in the discipleship, then to invite them together with their wives to a training time for the work of making disciples. For the next two months, the response to this challenge was very small. Then I began an intense time of prayer and communication with each member of the GDI national team. In a miraculous way, God began working, and at the end of February more than 80 participants were enrolled for the conference and I was able to sign the contract with the Harghita Christian Camp, because the necessary money for the conference expenses was secured too. A dream has begun to become a reality!

A Dream has came true

Nine pastors from the evangelical churches in Romania, together with their wives, invited, prayed and motivated each of at least five other couples involved in church ministry to attend the conference titled “Disciples who make disciples.”

Essential Guide to Becoming a Disciple by Greg Ogden it was translated and printed in Romanian Language. This book it was used for two practice sessions of the Conference. Each participant at the National Conference received a free copy of the book.

A great success, a great fellowship and a great challenge.
On behalf of all participants in the "Disciples Who Make Disciples" Conference, I thank you all who have supported financially or prayed for the blessing of this work. I assure you that it was a great blessing but also a great challenge for us in future. We would be glad to have you in the next steps of developing the discipleship work in Romania. God bless and reward you all.
